**THE RESURRECTED LIFE AWARDS** is an [annual] awards ceremony, created and hosted by Deacon Ryan King. Deacon Ryan King believes that role models should start at home first; positive interaction between a supporting and caring father and his child(ren), especially with a young boy paves the way for healthy self-esteem and a successful adulthood.

The mission of the awards is to identify and recognize youth and young adult males who are and were considered at-risk, who has grown up without the guidance of their fathers, and who has overcome obstacles socially, mentally, financially and spiritually for a better future.

The purpose is to reach out to families and communities to celebrate successful fatherless males to change negative perceptions and conceptions of youth and adult males; to encourage and promote youth and young adults positive lifestyles who has an understanding for their biological fathers not being present, and who has accepted God as their Heavenly father;

to diligently seek him for his plan for their lives.

There will be youth and young adults males ages 15-35, and one seasoned male 60 years old or older who will receive one (1) of the following awards: Kingdom Minded (overcoming behavior problems in grades 5<sup>th</sup>-11<sup>th</sup>), Moses (a born leader who has overcome a speech impediment and fears of public speaking), Meshach, Shadrach, & Abednego (three (3) males who has overcome low self-esteem and worldly desires), Abundant Life (overcoming injustice of gang affiliation, and unjust legal cases), College Bound (an achiever who has overcome financial and mental burdens in higher education), and Living Testimony (a seasoned male 60 years old or older, whose life values justice and improves morale).

The recipients of these awards are evaluated and chosen by Deacon Ryan King and the Resurrected Life Awards committee. Recipients are primarily members of Greater Zion Church Family, but are not limited to members of Greater Zion Church Family.

## **SCHOLARSHIP OPPORTUNITIES**

A scholarship will be awarded to one (1) person between the ages of 21 to 30 who delayed their college education, for personal or financial reasons, and have now decided to pursue a college degree.

Special consideration will be given to those students pursuing a career in business,

psychology, nursing, child development, journalism, music, theatre arts, and computer programming.

The scholarship program is open to persons residing throughout the greater Los Angeles County, with specific emphasis of the underserved communities of North Long Beach, Compton, and Inglewood.
